**RE: *United States v. Gustavo Chavez*
22 Cr. 303 (JMF)**

Application GRANTED. The Clerk of Court is directed to terminate Doc. #53.

SO ORDERED.

February 13, 2025

Dear Judge Furman,

I write to respectfully request a 45-day extension of Gustavo Chavez's surrender date, currently February 20, 2025.

As of February 4, 2025, Mr. Chavez has completed three weeks of his seven-and-a-half-week-long course of radiation therapy for his prostate cancer. To afford Mr. Chavez sufficient time to complete his treatment and determine appropriate follow-up care, including whether additional radiation therapy is necessary, I respectfully submit that an extension of Mr. Chavez's surrender date is warranted. I have conferred with AUSA Andrew Jones and have provided him with a letter from Mr. Chavez's treating radiologist at Montefiore Hospital memorializing the above information. Mr. Jones does not object to this application.

I thank the Court for its consideration of this motion.

Respectfully Submitted,

Andrew John Dalack, Esq.
